ABOUT ME

I am a Lecturer in the Department of Rural Sociology at Habiganj Agricultural University, specializing in rural development, public health, and economic sustainability. With a strong academic background and a passion for addressing social inequality, I focus on empowering marginalized communities through education and research. My work explores women's empowerment, food security, and the socio-economic dynamics of rural populations, aiming to drive inclusive development and enhance quality of life. I am committed to bridging academic theory with practical solutions that promote sustainable growth and resilience in rural areas.
